I will drive over to CFAC on Thursday morning and then head to Helena, so we'll be contributing to the CO2 load; sigh. We tried. Rest, get better, spring is on the way!

I did, when he called I asked to send you guys an email as well. Looks like you got notified.

Does that interfere with your plans?

I'm off today but feel free to let me know if you need anything. Well, anything I can help with ☺
